ACCA Flow Chart

ACCA is the largest International Professional Accountancy Body that trains you to become a Professional Accountant / Auditor.

Foundations in Accountancy. Certified Accounting Technician.

Admission requirements

- a) The CAT Qualification is suitable for anyone who wants a solid foundation of knowledge in finance and accounting. No previous academic qualifications are required
- b) To achieve the CAT Qualification you will need to register as a student on Foundations in Accountancy and complete the following:
 - a. Nine Exams
 - b. Ethics Module – online procedure
 - c. Achieve one years' relevant practical experience in any accounting environment

Introductory Certificate in Financial and Management Accounting

Recording Financial Transactions (FA1)
Management Information (MA1)

Intermediate Certificate in Financial and Management Accounting

Maintaining Financial Records (FA2)
Managing Costs and Finance (MA2)

Diploma in Accounting and Business

Accountant in Business (FAB)
Management Accounting (FMA)
Financial Accounting (FFA)

Certified Accounting Technician

Above 7 papers plus two options from below:
Foundations in Taxation (FTX)
Foundations in Financial Management (FFM)
Foundations in Audit (FAU)

Moving to the ACCA Qualification

After completing your CAT Qualification, you can continue your studies with the ACCA Qualification. You will be given exemption from the first three exams of the ACCA Qualification (F1, F2 and F3) and your one year's practical experience can count towards the three years of practical experience needed for the ACCA Qualification

Association of Chartered Certified Accountants

To qualify as an ACCA member, you will need to complete:

- ← 14 exams including any exemptions
- ← The practical experience requirement – 3 years
- ← The professional Ethics Module – online procedure

Admission requirements

a) **Minimum entry requirements**

Two 'A' Levels and three GCSEs or equivalent in five separate subjects including Maths and English

b) **Graduate-entry route**

Degree holders can claim exemptions from certain exams within the Fundamentals Levels. You can confirm the above on accaglobal.com

c) **Access to ACCA via Foundations in Accountancy**

- no academic qualifications required
- complete the Diploma in Accounting and Business through the Foundations in Accountancy route, and you can continue your studies with the Certified Accounting Technician Qualification, or you can transfer onto the ACCA Qualification, gain exemption from the first three exams and continue your studies from the fourth exam (F4 - Corporate and Business Law) onwards.
